CANCELLATION POLICY

24-hour notice is required. If less than 24 hours notice is given, you will be charged for the session.

If you have to miss a session, please call our Alexandria office at (703) 739-7601 or the Arlington office at (703)527-9626. Feel free to leave a message as the voice mail will date and time your message.

SBL strives to provide our students with the most highly trained instructors. These instructors depend on a full schedule for their livelihood and last minute cancellations cannot be filled. An instructor makes a commitment of her time when an appointment is made and as many of you are aware our instructors are very accommodating and often will come in to the studio just to teach one group. We demand a lot of our instructors but in turn must respect their time. We trust you agree and we appreciate your patronage of SBL.

NOTE: When a student in a trio is absent and has complied with the cancellation policy, the partners pay the duet fee. When a student in a duet is absent and has complied with the cancellation policy, the partner pays a \$85 single fee for a level 2 instructor (\$70 for a level 1 instructor or \$55 for an apprentice instructor).
